Connect Your Wallet

Connect your MetaMask or other wallet to this website using the widget at the top of the page. From there you can easily buy $2golo tokens using ETH, BNB, MATIC or USDT

Fund Your Purchase

Ensure you have either ETH, BNB or USDT in your wallet to swap for $2golo. Deposit crypto into your wallet if you don't. Alternatively, use the Card option.

Swap Tokens For $2golo

To view your tokens, add the $2golo token address below to your wallet.

Go to the buy widget and select the amount of tokens you wish to swap for $2golo. Authorize the transactions in your wallet and make you leave enough ETH, BNB or USDT for gas fees.
